## **Now Boarding Episode 1 Full Version Download PATCHED**

Description: Create calm from the chaos in a busy airport. Get your passengers to the right place before they... Fly away.

And what does it mean? This means that you need to make their stay at the airport as short and easy as possible. Make them not waste a single second, and then they won't worry about landing on time. The game is not for the faint of heart. It is an endless runner game in which you have to control a plane carrying passengers until it lands. Don't let them linger too long or you'll have to collect extra tokens and time to get back to
