Material Design icons are included to give a coherent and stylish look to your users. The icons are designed by Flavio Pinna from the Material Design team. The icons pack contains more than 2000 images in 16x16, 20x20, 24x24, 32x32, 48x48 and 64x64 pixel formats. The icons are easy to design. Just change the colors and the pixel ratio of your liking, you are done! If you want more variations, you can always get a new icon set from me. Please contact me for details. More about Material Design Icons: More about Material Icons: It's been a while since I made a Flatpak pack, so i'm excited to finally throw this one out. I was cleaning out some old icons I had been thinking about making some sort of theme / Flatpak pack for, and this is what I came up with! The icons in here are not necessarily "Freedroid" themed, but they are all flatpak icons, including: "Dropbox" "Discord" "GitHub" "Wechat" "Weibo" "Viber" "Telegram" "Twitter" "Facebook" "Tasks" "Music App" "Browser" "Browser Settings" "Notes App" "Bookmarks App" "Watch App" "Calculator" "Libraries" "Settings" "Clock" "Dock App" "Dial App" "Gallery App" "Write App" "Power Off" "Presentation App" "Internet Search App" "Calendar" "Mail App" "Music App" "Todo App" "Fingerprint" "Run Command" "Settings and Accounts" "Help" "Switch App" "Home App" "Screen Share" "Home Folder" "Suspend" "Calculator" "Magnify" "Wifi" "MTP" "Software Store" "Nautilus" "Properties App" "File Manager" "Files App" "Terminal" "Screenshot App" "Files App" "Mount" "Audio Player" "Video Player" "Custom" Download here
