Photo: Kayana Szymczak/WireImage According to Entertainment Tonight, two sources have confirmed that Amy Adams and Steve Carell are done after a decade together.

The split was “very amicable,” and the exit, at least for Carell, doesn’t appear to be triggered by any bad behavior on his part. Even so, I’m betting the end of the biggest American movie comeback story of our era is not something either of the two wanted, any more than the breakup of the Brady Bunch was either of their choice. Amy Adams and Steve Carell, the onscreen couple who have starred in four of the last eight Best Picture winners, were together for 11 years. In that time, they made four films together and two films apart. Many of us got to live vicariously through their first two films: 2005’s *Big Fish* and 2007’s *Doubt*, which Carell directed. “The one thing about Amy that I found amazing, even in her very small role, was how she worked her way into the heart of the picture,” he told the *Los Angeles Times* in 2007. “I was so moved by this fearless young actress.”

Adams, then 26, played Edie Britt, the overachieving daughter of Mark Twain. Amy Adams, then 26, played the budding writer Edie Britt, the overachieving daughter of
