The original fantasy action RPG with the fully customizable character system, featuring a vast world, drawn-out adventures and a fun battle system, is reborn! After the Elden Ring was shattered during the great war, a group of heroes emerged: Swordmasters, Lore Keepers, and Guardians. Surrounding the Land of Valoria, the heroes set out to gather strength and awaken the legendary Elden Ring of Power. The Elden Ring of Power that has not been used in a thousand years will stir the hearts and minds of the weary world.

Will you rise to become the New Elden Lord? Introducing a new main character!... and a new face for the Elden Ring! New Character: Haide! New Face for the Elden Ring: None! Story: Myriad unfamiliar lands beneath the clouds, and mighty caverns and

dungeons full of mysteries and eldritch monstrosities!

In Valoria, where the Legends of the Elden Ring flourished, a group of heroes led by a Swordmaster arose during the era of “the ancient war”. A thousand years have passed since then. The once peaceful Land of Valoria is enveloped in strife. A war is spreading throughout the lands with greedy beasts in the lead. A battle that has endured for a thousand years has finally begun. A group of heroes and a Lore Keeper have gathered to try to put an end to this evil, and become the New Elden Lord. * The main story has been reconstructed from the ground up. * A new face is waiting for you in the Other Dimension! Introducing the Darkness of the Old Days! Old-Time Weapon: Sword of Gorgol Old-Time Armor: Plated Plate Old-Time Magic: Circles of Power * It was not possible to fully incorporate the concepts of the original Game until the development team prepared for development. * We have an extremely limited development team so we cannot guarantee a final output that will achieve the original vision. * However, we will work hard on making the utmost effort to provide an enjoyable gameplay experience.
