The gameplay is simple enough, but also polished enough that it's fun to play." IGN (10/10) "It's beautiful, the story is exciting, and the combat is slick. ZWINKEL (9/10) "I just hope it comes to Europe eventually, because it's on my list of games I want to get. It's an amazing game." CRAFT-BEAST (9/10) "I'm really enjoying this game. The details you see in the animation and the dynamics of the action make it look like an animated movie." GAME STORE TOUCH (10/10) "The game is a real delight to play. The graphics are superb, and the gameplay is both fun and extremely deep. If you're looking for a hidden gem to buy on a budget, it's certainly worth checking out." FORUM KITCHEN (10/10) "He's an action-RPG hero full of life and ambition, and he's unique in that he has a changeable appearance that allows you to change him to look like the hero you want to be.
