I had to make some sacrifices during this time to really focus and give it my 110%. It will mark your work towards a world class Security Practitioner. One of the best in the current crop of MMA fighters is currently training and preparing to fight again – but this time it's for a new kind of organization, and a new kind of fight. Tyron Woodley, who is arguably the best welterweight currently in the sport, will be making his long-awaited return to the cage when he steps into the Octagon for the first time since May 2013. That was when he suffered a second-round submission loss to Michael Bisping at UFC 185. Woodley's next opponent will be Stephen Thompson, who like Woodley, is a very solid striker. The fight might just be one of the best in recent UFC history, or it might be the fight of the year, depending on how good it turns out to be. Some of you c6a93da74d
