
Stronghold 2 Deluxe 1.3 Crack LINK

hi, i'm trying to run stronghold 2 deluxe and i'm getting a "cannot open file.r4w" error every time i launch the game. i'm using windows xp sp3. i'm running as administrator. i've tried to launch the game with using "c:\program files\firefly studios\stronghold 2\launcher.exe" and "c:\program files\firefly studios\stronghold 2\launcher" but i get the same error. i'm running a ps2 keyboard and i have the original cd in the drive. anyone have any ideas? i was wondering if anyone could help me figure out the game is giving me an error: the application launcher is not responding. the application launcher is stuck in an infinite loop. i have tried to start it with the command line: c:\program files\firefly studios\stronghold 2\launcher.exe and also with the shortcut on my desktop, but no luck, the error pops up. i have tried to delete the launcher from the program files folder, but i get the error "the operation is not allowed" when i try to delete it. i'm using windows 7, but i have windows 10 on my other computer, and it plays the game fine. please help me out with this problem. the first thing you need to do is to download

the latest version of daemon tools which will allow you to mount your stronghold 2 deluxe 1.3 crack. run it and you will see a main window like the one below. choose your stronghold 2 deluxe 1.3 crack iso file and press mount, or use your keyboard to select the file if you are using a windows os. the iso file will be mounted, and daemon tools will open the mounted image. click ok to mount the image and you are good to go. then right click on the stronghold 2 deluxe 1.3 crack icon on the desktop and click on properties. in the properties window, go to the compatibility tab, select the change system settings.. button, and then select the administrator account. press ok and then close daemon tools. open stronghold 2 deluxe 1.3 crack again and you are good to go.
